

## **FLASH 21/2011**

### **Sustainable Water Management.**

### **Opinion of the Committee of the Regions**

In the Official Journal C259/03 dated September 2, 2011 the Committee of the Regions published an opinion concerning sustainable water management. The Opinion asks for the Commission's Water Efficiency in Building initiative to be integrated with the Energy Performance of Buildings Directive, whilst leaving the possibility to target selectively geographical areas with water shortages.

Please use the link below to find the complete text (choose your language) of this opinion.
